## EDUCATION

2019 - 2023

**Kharkiv Radio Technical Vocational College**

Junior Specialist in Computer Engineering

2022 - 2026

**Technical University of Košice**

Bachelor's Degree in Intelligent Systems

## SKILLS

python

numpy

pandas

seaborn

pytorch

opencv

matplotlib

tensorflow

scikit-learn

PL/SQL

streamlit

NLTK

## PROJECTS

### Business Analytics Course

Data cleaning, visualization & forecasting

### Neural Networks Learning

Fundamentals, classification & recognition tasks

### Computer Vision Course

Practice, exams & segmentation tasks

### ML-AQ11-Rule-Generation

Implementation of rule generation algorithm in ML

## LANGUAGE

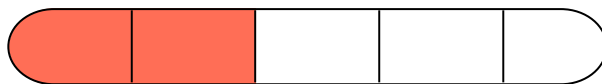

Ukrainian

Russian

English

Slovak
